

#1 PEAKS/GOLD HILL/ BIKE PATH LOOP 13.8 MILES DIFFICULT

The Peaks Trail is a technical route that connects the Towns of Breckenridge and Frisco. This loop describes the Gold Hill Trail cutoff and uses the paved Blue River Recpath to return to Breckenridge.

Directions:

- Start at the Watson Trailhead/South Gondola Lot (just south of the gondola)
- Follow Park Ave south to Ski Hill Rd and turn right on the paved recpath
- Follow Ski Hill Rd until the recpath ends and continue following the road as it passes the base of Peaks 8 and 7, then turns to dirt at the Peaks Trailhead
- Turn left on the Peaks Trail for 4.8 miles until Gold Hill/Colorado Trail junction
- Turn right to the Gold Hill Trail to the paved Blue River Recpath (3 miles)
- Turn right and travel south for 4 miles until the pathway returns to the gondola and the trailhead (13.8 miles total)
- For a longer alternative, remain on Peaks Trail downhill to Miners Creek Rd. Turn right and follow to the paved recpath in Frisco. Turn right and follow the recpath signs back to Breckenridge (add 7 miles = 20.8 miles)

Distance: 13.8 Miles
